POLITICS & URBAN ADMINISTRATION

Tbilisi is a self-governing city. Self-governance is exercised by a representative branch - Tbilisi City Assembly and an executive branch - Tbilisi City Hall.

The City Assembly is composed of 50 members, from which 25 members are elected according to local single-mandate majoritarian constituencies and 25 members proportionally in the entire territory of Tbilisi, according to 10 electoral districts.

The term of the City Assembly as well as for Mayor's Office is 4 years. The last election was held in October 2025 in which the Mayor of Tbilisi was directly elected by the citizens of Tbilisi.

The Mayor is the highest-ranking official and the head of Tbilisi Government.

The government is made up of the Mayor, deputy mayors and heads of City Offices and governors of Tbilisi Administrative districts.

Tbilisi City Mayor for the third term is Mr. Kakha Kaladze.
